

FACILITY INVESTMENT ASSISTANCE SCHEME 2021

TERMS AND CONDITIONS

INTRODUCTION

This scheme is aimed to assist sport organisations with the maintenance of their facility, the upgrade of present facilities or carrying out construction works on their facilities, on a percentage basis, based on the total estimated cost for the said upgrade. The percentage to be provided by SportMalta shall be at the discretion of SportMalta, according to the budget allocated to the scheme and the amount of applications received and approved for benefitting from the scheme. The sports organisations may only apply for **one** project per year.

Eligibility Criteria:

This scheme is applicable to sports organisations (Federations, Associations, Clubs and Foundations) which:

1. Have a legal title of property through a Parliamentary Resolution and a public deed signed with the Lands Department / SportMalta;
2. Are owners of the property; or
3. Are using government property which is yet to be transferred as per point 1 above;
4. The sports organisation shall have a repayment plan in cases where it has pending payments with SportMalta.
5. Requirements:
 - a. Your Sport Organisation must be registered and compliant with SportMalta.
 - b. Your Sport Organisation needs to be also enrolled with the Office of the Commissioner for Voluntary Organisations and must be compliant with them as well.

Assistance:

Assistance through this scheme will be granted in various methods such as supply of labour, human resources, material, engagement of contractors, appointment of consultants and financial grants.

Documentation:

1. Duly filled in registration form;
2. It is recommended that the application form is accompanied by the following information, whether in the application form itself or in a separate document:
 - a. Information that the upgrade being planned has not resulted due to negligence on the part of the sports organisation;
 - b. An estimate of the costs involved, including a description of the needed works, preferably drawn by an architect or by a quality surveyor engaged by the sport organisation;
 - c. A description of the project including architect's estimates of the cost, site plans and other plans.
3. In the event that the project shall not be finalised by the end of the calendar year in which the funds are applied for, a statement shall be inserted in the application form, indicating that the project will not be finalised by the end of the year.
4. Original fiscal receipts (or any other proof of payments as specified in the [Terms of Reference](#)) for anything falling within the approved assistance which will be assisted by SportMalta, must also be submitted for the approved funding to be released. Furthermore, the funds shall not be released prior to SportMalta officials certifying that the project has been completed in its entirety.
